Authorised by	Dr Haidar Al Yousuf, Director, Health Funding Department
Drafted by	Ali F. Lutfi, Specialist, Health Funding Department
Publication date	23 August 2016
This document replaces	General Circular GC05-2016
This document has been replaced by	Not applicable
Effective date of this General Circular	Immediately upon publication
Grace period for compliance	None

Preamble

In September 2014 Health Funding Department (HFD) of Dubai Health Authority (DHA) announced that it would be registering and regulating companies involved in the "activity" of advising upon, marketing and selling health insurance in the Emirate of Dubai pursuant to Health Insurance Law (No 11 of 2013) of the Emirate of Dubai

After an extended and lengthy process to identify all entities operating as intermediaries in health insurance in Dubai and to bring the majority of these up to the level of meeting minimum standards of professionalism we have now completed the evaluations of 136 insurance agents, brokers and consultants

Objectives of this General Circular

- To notify all entities participating in the health insurance market within the Emirate of Dubai of the current status of intermediaries who intermediate in health insurance business within the Emirate
- To confirm that no market participant may transact any new health insurance business with any intermediary not holding HIIP Unconditional Compliance status listed in Appendix A
- To confirm that the only allowable transactions by any market participant with any intermediary not holding HIIP Unconditional Compliance status are those relating to any existing clients of that intermediary and only until that client's policy or scheme renewal date
- To specifically indicate the special nature and policy applying to banks who intermediate in health insurance business in the Emirate of Dubai

Maintaining compliance

Part of the application process required intermediaries to have or to develop the following:

- Complaints handling procedures and complaints log
- Training and Competence scheme for advisers
- Code of Conduct for advisers
- Data protection and client confidentiality policy

In order to maintain compliance intermediaries must apply the above in practice. During the remainder of 2016 and going forward HFD will sample intermediaries on a random basis to ensure compliance. **Any intermediary found not to be applying the above policies and procedures will have its HIIIP suspended and may face penalties.**

Definitions

Health Insurance Intermediary

Any individual, firm, company or other legal entity that advises upon, markets or sells health insurance products in or into the Emirate of Dubai.

Market participant

Any individual, firm, company or other legal entity that is involved in the health insurance market in the Emirate of Dubai including but not limited to insurance companies, health insurance claims management companies, insurance brokers, insurance consultants and insurance agents

Extension to market participants not registered, permitted or licensed to operate in the Emirate of Dubai

The application of this General Circular extends to any individual, firm, company or other legal entity that attempts to, purports to or does in fact engage in health insurance activities in the Emirate of Dubai (either directly or via a third party or any associate or affiliate) without having either the necessary UAE Federal or Emirate of Dubai licenses or permits allowing it to do so

Applicability to banks selling health insurance

The application of this General Circular extends to banks as do the requirements in Procedural Notice PN 05-2014 issued in November 2014. However, the registration of banks as health insurance intermediaries is ongoing and confirmation of their status under these requirements will be announced shortly.

Updates to the lists

The current lists as appearing in the below Appendices will be available at www.isahd.ae and will be updated as they change
